

Larry MacDonald, CD

Born and raised on the ruggedly beautiful Island of Ramea, I bring a unique blend of dedication, discipline, and community spirit to the world of mortgage brokering. Following over 26 years of distinguished service in the Canadian Armed Forces, I transitioned a strong business acumen and an unwavering commitment to serving others into a passion for helping individuals and families achieve their dream of homeownership.

I am a member of the Royal Canadian Legion Branch #13 in Corner Brook, NL. I hold the position of Service Officer, assisting veterans in being the go-between for Veterans and Veterans Affairs. I am also the Poppy Trust Fund Treasurer and District Commander for all Legions from Port aux Basques, north to Woody Point, south to Deer Lake and west back to Port aux Basques, 9 different legions. I am also a member of the Men's Fellowship Group that fosters community involvement and stewardship of the land and rivers that cover western NL. I also spend time identifying and protecting grave markers for veterans whose grave has gone neglected or un-registered as part of a team of volunteers with the Commonwealth War Graves Commission (CWGC). In my spare time, I am an amateur wood worker building charcuterie and cutting boards for family, friends and clients.
